PRESS RELEASE

## **Police Jury to Close Sandbag Locations Following Updated Weather Forecasts**

---

June 17, 2026 -- Due to the reduced threat of heavy rainfall in the forecast for Calcasieu Parish, all Police Jury operated sandbag locations will close at noon today, June 17.

The Calcasieu Parish Police Jury opened sandbag locations earlier this week to help residents prepare for the potential impacts of a developing weather system in the Gulf.

Parish officials will continue to monitor weather conditions and forecasts closely. Should conditions change, sandbag locations will be reopened as needed.

Residents are encouraged to continue monitoring forecasts from the National Weather Service and local media outlets for the latest weather information.
